The PDCA Top Twenty Agility Ratings rank the top five pugs in the Standard Courses and the top five pugs in the Jumpers with Weaves courses for Regular and Preferred heights. The ratings are calculated by taking the top three runs for each pug in each division, using only clean runs. The placement is determined by subtracting the pug's running time from the Standard Course Time and adding the difference for the three runs. The pug with the highest difference will be awarded the higher placement.

Effective January 1, 2019, Pugs that had previously competed in the Regular division, and cross over to the Preferred division, are not eligible for ranking until they complete the highest competition title in Preferred that they completed in the Regular division.

In order to allow more positions in the Showcase rankings no dog will be ranked in both Regular and Preferred in Standard or JWW. If a dog ranks in the top 5 in both Regular and Preferred they will be listed in the division that they rank the highest. If the ranking is the same the one with the best time will be used
