*The PDCA Top Twenty Agility Ratings rank the top five pugs in the Standard Courses and the top five pugs in the Jumpers with Weaves courses for Regular and Preferred heights. The ratings are calculated by taking the average of the top three scores for each pug in each division. If there is a tie, the placement is determined by subtracting the pug's running time from the course time and adding the difference for the three runs. The pug with the highest difference will be awarded the higher placement.*

*Effective January 1, 2006, pugs that had previously competed in the Regular division and dropped down to the Preferred division are not eligible for placements until they reach the same title level in Preferred that they competed in the Regular division. For example, a dog with an MX title (Master) would not be eligible for Preferred ratings until they earn an MXP title.*
