Total of 285 qualifying scores

Rankings are based on four Classes: High Combined, Excellent, Advanced and Novice (A and B combined)

High Combined is determined by averaging the highest three scores from Excellent and the highest three scores from Advanced¹

The top three scores earned in a Class are used in determining the Average score

All average scores are shown

¹ High Combined does not equate to Excellent and Advanced scores from the same day, nor whether earned in A or B classes

² Alternate calculation - High Combined taking the three highest scores from the same day for Excellent B and Advanced B classes.

* Designates PDCA member (current roster)

The last column denotes a change from last reporting period: N = New and R = Revised
