Total of 55 qualifying scores

Two pugs that qualified in December were incorrectly reported in the Standard Class and should have been reported in the Optional Class. Corrected in this report.

Primary rankings are based on four Classes: High Combined, Utility, Open and Novice (A and B combined)

High Combined is determined by averging the highest three scores from Utility and Open¹

The top three scores earned by class are used in determining the Average score

All scores are shown

¹ High Combined does not equate to Utility and Open scores from the same day, nor whether earned in A or B classes

* Designates PDCA member (current roster)

The last column denotes a change from last reporting period: N = New and R = Revised

Optional titling classes are shown separately but not ranked in the final standings
