In 2016, CHF awarded 35 new canine health research grants, totaling \$1.88 million. Thanks to your support, efforts were significantly strengthened to directly address your concerns for improving the health and well-being of all dogs.

We appreciate your [continued support](#) and your dedication to positively impact the health of all dogs. To learn more about our ongoing research programs, access our latest [Research Portfolio](#). Together, we are improving the lives of all dogs and their human companions.

With sincere gratitude,

Diane Brown, DVM, PhD
Chief Executive Officer
AKC Canine Health Foundation

Established in 1995, the AKC Canine Health Foundation's (CHF) mission is to advance the health of all dogs and their owners by funding scientific research and supporting the dissemination of canine health information.
